CHRNA AF Applicants Self-Nominate

The Civilian Human Resource Management Agency has changed the way it announces and maintains applications for Appropriated Fund open continuous announcements.

As of April 21, CHRNA closed a number of open continuous announcements and will no longer use them to fill positions. CHRNA is shifting the announcements to become "regular" announcements that will open only when an actual vacancy occurs. To ensure consideration, applicants will need to self-nominate for these positions.

All of the remaining open continuous announcements will close and reopen for a six-month period. In a change from former CHRNA

policy, applicants will need to self-nominate for open continuous positions to ensure consideration. CHRMA has established an initial May 5 deadline date for the first opening period. For more info visit the CHRMA Web site at www.chrma.hqusaureur.army.mil.

Those who deliberately use the Military Postal Service to send or attempt to send prohibited items may be subject to hefty fines, suspension of Military postal privileges, or prosecution.
